

Sessions

At First Strike Laser Skirmish, we have different session types to suit a variety of groups. You're sure to find one that suits you!

We have three session types:

1. Private Session
2. Standard Session
3. Open Session

We have two standard session lengths:

1. Adrenaline Session (3hrs)
2. Tactical Session (6hrs)

We can have a maximum of 20 players playing at once, so if your group is larger than 20, please contact us and we shall tailor a session to your group.

BOOKINGS ARE ESSENTIAL FOR ALL SESSIONS!

Private Session

Our private sessions are for groups who don't want to play with any other group. You must pay for 20 players, regardless of whether you have less than 20 in your group. If you have more than 20 players, each player above 20 incurs an additional cost. PLEASE NOTE: All weekday & Sunday sessions are Private Sessions, and no discount structure applies. See our Prices page for more details.

Standard Session

Most Saturday sessions are "Standard Sessions".

> A minimum number of 10 players is required to book a Standard Session.

> If you have less than 20 players (our maximum number), First Strike may take bookings for other small groups to fill this session.

> If you have less than 10 players in your group, you can ask us about available spaces in standard sessions.

Open Session

Approximately once a month, we have an "Open Day". On an Open Day, there are no minimum numbers to make a booking, you can come on your own if you want! If you get a few friends together, you even get a discount! See our Prices page for details.
